Now it's time to get ready for the year ahead. Below you will find the information you need to register. We look forward to working with you in 2024-2025

The MTPT Project

Support for Maternity, Paternity and Adoption Returners to Continue!

Colleagues working in state schools in the North West will continue to benefit from MTPT Project workshops and coaching whilst on maternity leave and as they return to work, thanks to ongoing support from regional Teaching School Hubs. Throughout next academic year, **teachers, leaders and support staff returning from parental leave can attend a 90 minute virtual Return to Work workshop ahead of their return - fully funded!** Colleagues taking a period of maternity, adoption or shared parental leave can also enjoy fully-funded virtual group coaching, with five cohorts running next year. This year, more than 200 parent-teacher colleagues across England have benefitted from these programmes, supporting them to balance work and family life.

Colleagues can sign up to a workshop [here](#).
